

# REV SHARE TEAM OVERVIEW

**Players pay for themselves** – early registration is \$39, regular registration is \$49, last-minute registration is \$59. Players will use your unique team link to register for your team.

**Friends and family can also join your team**, enabling you to grow your team as large as you like.

**Once you reach ten paid players, you'll earn a percentage of registration revenue** from every paying member of your team, depending on the number of players you enroll. The bigger your team, the more you'll earn.

Team Size	Revenue Share
1-9 Players	0%
10-60 Players	30%
61-120 Players	40%
121+ Players	50%

## NEW!

**Once you reach 10 paid players on your team, we'll give you back your \$99 registration fee!**

### TEAMS COST \$99 TO REGISTER AND INCLUDE:

- All the promotional materials you need to build your team, including emails, social assets and posters.
- Three complimentary player registrations – 1 for your team leader and 2 additional free entries.
- An online leaderboard unique to your team so you can see how everyone is doing day-to-day.
- Ongoing guidance for team leaders on boosting and maintaining player engagement.
- An online communication feed for your team to share, support, and encourage each other.
- An admin console that lets you measure the daily and weekly engagement of your players.
- The ability to create sub-teams under your larger team umbrella – perfect for large groups.
- Instructions on holding preliminary rally, conducting baseline testing, and taking player measurements.
- 24/7 support for players via our Help Center for technical, scoring, or rules questions.
